

# Jelly Collection ❁ Diagonal Weave • START • Foundation

1. Center 3 beads in middle of long string/cord.

2. Pick up a single bead to criss-cross. This will give two shorter working cords.

3. Criss-cross through a single bead to create a foundation.

4. Pick up one bead on each cord. Try doing this with both hands at same time.

5. Pick up a single bead on any one of the cords.

6. Repeat steps #3 to 5. Criss-cross through the single bead. Notice ladder "rungs" forming.

7. Pick up one bead on each cord for ladder "rung" and one single bead.

8. Criss-cross through single bead. Pull with both hands to lock "rungs". Best to work in hand.
