

# Jelly Collection ❁ Ladder • START • Create your own pattern

1. Center 3 beads in the middle of a long cord.

2. Pick up a single bead to criss-cross. This will give two shorter working cords.

3. Criss-cross through the single bead to create a foundation.

4. Pick up one bead on each cord. Try doing this with both hands at same time.

5. Pick up a single bead on any one of the cords.

6. Criss-cross through the single bead. Notice ladder "rungs" forming.

7. Pick up one bead on each cord for ladder "rung" and one single bead.

8. Criss-cross through single bead. Pull to lock "rungs". Repeat steps #7 to 8.
